

HOW TO MEASURE YOUR RING

BEFORE MEASURING, VERIFY THAT THE PAGE SIZE IS CORRECT.

1. PRINT THE DOCUMENT IN A4 FORMAT, MAKING SURE YOU HAVE THE FILE AT "SCALE: 100%."
2. MEASURE THE LINE UNDERNEATH WITH A RULER AND VERIFY THAT IT IS EQUAL TO 1 CM OR 1 INCH OR PLACE 1€ ON THE PAGE-IT SHOULD EXACTLY MATCH THE IMAGE AND COVER ALL ITS EDGES.

3. GET A RING THAT FITS PERFECTLY.
4. THEN, PLACE THE RING ON THE CIRCLES BELOW UNTIL YOU FIND ONE WHERE THE PRINTED CIRCUMFERENCE IS BARELY VISIBLE INSIDE YOUR RING.
5. IF YOU ARE UNCERTAIN BETWEEN TWO SIZES, CHOOSE THE LARGER SIZE.

We cannot guarantee that the size measurement through this format is correct. We recommend that you ask your trusted jeweler for support.
